Dear Parents/Carers

National Space Centre

As part of the yr 5 science curriculum we are proposing to visit the National Space Centre in Leicester on Tuesday, 31 January.

The Space Centre is a hi-tech interactive environment, allowing your child to explore the astronomical wonders of space. This in itself will provide great educational value.

The highlights of the museum include:

- *Test your skills in the astronaut training centre*
- *Create your own alien life*
- *Test drive a Martian Rover Robot*

It is necessary to ask for voluntary contributions if the visit is to take place and a voluntary contribution of £11.00 per pupil is required. This partially covers the cost of the coach and admission charges per pupil but does not include any profit margin to subsidise non-contributors. Early payment would be much appreciated. No pupil in the group will be omitted from the visit but it is necessary to have voluntary parental contributions in order that the visit takes place.

Would you please complete the slip below giving permission for your child to take part in this trip and indicate if you wish to pre-order a school prepared packed lunch. For identification purposes, children should wear their school uniform for this visit.

Mrs J Butterick
Year 5 Co-ordinator

To: Class teacher

National Space Centre

I give permission for my child to take part in the trip to the National Space Centre. I enclose a voluntary contribution of £11.00 towards the cost of the proposed visit.

* I wish to order a packed lunch at a cost of £1.80
(free if entitled to free school meals):

* I am able to help on the day:

Signed: _____ Parent/Carer

Child's Name: _____

Class: _____
